WHAT OUR CLIENTS SAY

"Fantastic job arranging a personalized tour for me, grandmother and aunt while we were in Cork in March 2010. He was so thoughtful in pointing out sights that were personal to us and explained the history of areas that we would not have known about from guidebooks."

Angela Dwyer

We were treated with genuine care and comfort. Kevin and his team got to know us and tailored our experiences to our needs.

The idea of driving in Ireland can be quite daunting yet we were able to enjoy every minute knowing we were in the hands of true professionals. Hiring Kevin was our best decision. The vehicles were comfortable and luxurious. You can't go wrong with Jordan Executive Travel."

Jennifer O.

"The service that my parents and I received from Jordan Executive Travel the week we were in Ireland was nothing short of outstanding. Kevin and Gerry were both outstanding guides and drivers and did everything in their power to make sure we were having a wonderful time. The vehicle we had was wonderfully quiet and in impeccable condition. I would, without hesitation, recommend Jordan Executive Travel to anyone needing a customized travel service in Ireland. They did an excellent job."
